LEGAL NOTICE

This project serves as a teaching example or sample solution in the context of teaching, to teach knowledge in software development. It contains a software solution.

Please check the LICENSE OF THIS PROJECT below, to find the license information for this project. This license is just related to the contained software solution and its source code, as far as the software solution was developed by the copyright holder. This license is based on [bsd-3], but some modifications make it different from regular BSD-Licenses.

Errors, changes, and deviations are not impossible!

The project was developed and tested with the software [IntelliJ 2024.1.4] with a student license on the basis of the Oracle JDK [Java 17.0.2]. The project uses basic elements of the "Java(TM) Platform" (Source: Oracle) which are part of the Oracle JDK [Java 17.0.2]. The Oracle JDK [Java 17.0.2] will not be delivered/distributed as parts of this project. [IntelliJ 2024.1.4] will also not be delivered/distributed as a part of this project. However, in order to execute the project, you have to use a Java runtime environment or Java development kit which is compatible with [Java 17.0.2].

If further components, libraries, source codes, or other forms of solutions from externals/third-party suppliers are used and redistributed as parts of this project, you can find all related information in the folder "Licenses".

The software solution which was developed by the copyright holder is stored in the package/folder d.kuhlen.example and its subpackages/subfolders in this project.

FURTHERMORE ALL LICENSES OF THIRD-PARTY SOLUTIONS (E. G. LIBRARIES, SOURCE-CODES, COMPONENTS...) HAVE TO BE CONSIDERED. ALL LICENSES OF THIRD-PARTY SOLUTIONS CAN BE FOUND IN THE FOLDER "third-party-solution-licenses" AND ITS SUBFOLDERS. PLEASE CONSIDER ALL LICENSES OF THIRD-PARTY SOLUTIONS.

Your use of third-party solutions is subject to the terms and conditions of the third-party's licenses. Please consider all license files in the folder "third-party-solution-licenses" and its subfolders

carefully and comply with all license terms. If you want to use third-party solutions, please obtain the external solution (e.g., as libraries, binaries, source codes...) originally from the third-party solution provider. You can find the copyright attribution, with information regarding the reference source, in the file "Overview_Copyright-Attribution.TXT" in the folder third-party-solution-licenses.
